

May 1, 2018

Dear \_\_\_\_\_,

Jenks Pom is beginning another exciting year. Tryouts for the 2018-2019 school year have taken place and practices have begun. Our four teams: Middle School, Junior High, Junior Varsity, and Varsity will be attending Universal Dance Association Camp this summer with the goal of qualifying for the National Dance Team Championship in Orlando, Florida in February, 2019.

The girls of Jenks Pom participate in sideline and half-time performances during football and basketball games, as well as competing at regional, state and national competitions. They participate in community service projects and are top students at Jenks Public Schools. Last year, all four of our squads won the title of 2017 State Champions in their respective divisions. At the 2018 National Dance Team Championship, the Junior High squad placed 4th, our JV squad placed 2nd, and our Varsity squad placed 6th in the nation. It is exciting to see the hard work and months of practice pay off for these amazingly dedicated young women. We are immensely proud of all of our squads.

Each girl is responsible for paying for camp and competition registrations, choreography, dance shoes, costumes, travel expenses and coaching fees. On average, a family can expect to pay \$3,750 a year to participate in the Jenks Pom program. The girls and their families participate in many fundraisers throughout the year to help reduce costs.

**We request your assistance in helping to defray these costs by becoming a Jenks Pom Corporate Sponsor. Please review the enclosed sponsorship levels and benefits. Your assistance of \$100, \$150, \$300, \$500 or \$1,000 will greatly make a difference in the lives of the girls that participate in the Jenks Pom program. Your donation is tax-deductible at the amount indicated by level. Thank you for considering this request.**

Thank you,
